

Odlings MCR Ltd

W: www.odlingsmcr.co.uk

Odlings MCR Ltd manufacture and supply blast cabinets and degreasing equipment for every aspect of industry to countries worldwide with a full C.E. Certification.

The pressure sandblast cabinets and airless shot blasting units are all designed and built in a factory in Ellesmere Port, Cheshire. **Odlings MCR Ltd** takes immense pride in the quality of their work as well as customer satisfaction.

Odlings MCR Ltd provide a wide range of sandblasting cabinets and shot blasting equipment that can be used in various industries and activities including:

- Aviation – aircraft wheel paint removal, aircraft brake cleaning, wheel washing and parts degreasing
- Stone engraving
- Industrial shot blasting and degreasing
- Motor restoration
- Surface preparation

Odlings MCR Ltd has been supplying the aviation industry with blasting and degreasing equipment for many years. From our visit last year, **Odlings MCR Ltd** has just secured another order from Xiamen Airlines and Honeywell Shanghai.

With this experience and knowledge, **Odlings MCR Ltd** is confident they can supply equipment to suit your requirements.
